Personal statement (this page will be circulated to Members in advance of the AGM).

I am willing to stand as a Member of the Committee again unless the four places are filled with new committee members. This would be my third year serving on the committee if elected.

I spend a lot of time abroad, particularly in the summer, and this is why I cannot give as much time as someone else may be able to.

With this reservation I feel I can be of help to the Club with lending a hand at events and organising the Christmas Fair as I did last year.

I want to encourage new people to join the Club. I also feel it is very important that existing members contribute to the life of the Club by supporting events, playing sports and giving a little time to helping out in whatever way they can. I hope I can encourage more Members to contribute so that the responsibility of maintaining the Club is more widely spread and the Club can grow and thrive.
