Personal statement (this page will be circulated to Members in advance of the AGM)

Dear Members,

I have been a member for around 18 months and I live in Pangbourne Avenue which overlooks the club. Since the AGM which proposed and rejected George Calburys proposals for the future of the Club I have become involved as a volunteer on the Bar, working in the gardens and taking on some responsibilities from Johnna on the irrigation and maintenance of the green. I would like to join the committee and continue to contribute to the running of the Club with other members and the committee to help ensure the future of the Club.

Ray McKillop
