Personal statement (this page will be circulated to Members in advance of the AGM).

Having been on the committee for the past two years, I would like to continue for another year as membership secretary to continue supporting the club.

I have expanded the role of membership secretary to keep members informed, setting up a number of projects including the monthly newsletter, putting on a variety of member events and taking on several room hire events. But I would hope members with expertise will consider getting involved with the projects established and use their knowledge to support and guide in areas such as poster design, a newsletter template, knowledge of corporate hire, event management and even more across the club... your experience and guidance would be valuable to the club as it needs help.

So in many ways, although I have undertaken most of the projects above, member input is required and would be of great value to the club to spread the load. I will continue to help where I can.
