

WEST LONDON BOWLING CLUB

CONSUMPTION OF ALCOHOL ON THE CLUB'S PREMISES

Approved by Committee 29th September 2026

Members may bring alcoholic drinks into the Club for personal consumption on the premises but no personal alcohol may be consumed when the club bar is open.

Members may not leave their personal alcohol on the Club premises.

Under the Club's Alcohol Licence the following conditions apply when the bar is open:

- a) Any drinking outside the Clubhouse must be confined to the area defined by the patio.
- b) No drinking is allowed on the patio after 9.30 p.m. (summer) and 7 p.m. (winter).

No drinks in glasses or containers may be brought onto the green at any time.

Respect for our neighbours is imperative at all times, particularly when leaving the premises late at night.

If the Club's bar has been open, Members are expected to leave the Club's premises between 10.30 p.m, when the bar closes, and 11.00 p.m., after which membership cards cannot be used to operate the electric gate.
